INTRODUCTION

At the beginning of this year, the Lord began to speak the word **QUANTUM** to me. Naturally, I searched for the definition and it immediately quickened my spirit.

QUANTUM - sudden & significant

QUANTUM JUMP - any sudden and significant change, advance, or increase

QUANTUM LEAP - a sudden highly significant advance; breakthrough

**Definitions by Dictionary.com*

The Lord then reminded me of what He said to me just before daybreak on July 31st 2022: "**REJOICE! For breakthrough is here!**".

He began to add that this breakthrough will be a sudden and significant advance, change and increase in the lives of His remnant who continue to **PERSIST**.

The action plan found in the following pages is not to manipulate the Lord to act on our behalf and to do so sooner than later.

He has already acted on our behalf and according to Him, the breakthrough we are in need of is already here in the spirit realm!

This strategy is instruction given by God to help us assume the proper heart position that provokes and encourages the natural manifestation of the quantum breakthrough that is here!

Ephesians 3:20 says:

Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us

Ask Holy Spirit to remind you of the promises you may have forgotten.

Ask Him to reveal to you what specific harvest is due (or past due) for this particular hour?

Ask Him to correct you if you have been impatiently expecting harvest that is not due yet.

What Bible verses has the Lord led you to for confirmation?

Where faith & practice meet

Add your own prayer points of contention based on the Word of the Lord specifically for your situation.

- Lord God, according to Exodus 15:26, you the Lord that heals me; you are Jehovah Rapha. I believe Isaiah 53:5 that says by the stripes and wounds of Jesus, I am healed. I come in agreement with your Word and ask for the full manifestation of healing in my emotions, mind, spirit and body.

2. PERSIST

PERSISTENCE BEGETS PROMOTION

The Bible shows a clear illustration of persistence and the results thereof in Genesis 32:24-28.

Then Jacob was left alone; and a Man wrestled with him until the breaking of day. 25 Now when He saw that He did not prevail against him, He touched the socket of his hip; and the socket of Jacob's hip was out of joint as He wrestled with him. 26 And He said, "Let Me go, for the day breaks." But he said, "I will not let You go unless You bless me!" 27 So He said to him, "What is your name?" He said, "Jacob." 28 And He said, "Your name shall no longer be called Jacob, but Israel; for you have struggled with God and with men, and have prevailed."

A few things in these verses scream at me.

Firstly, Jacob was left alone.

This is a time of intentional consecration and sanctification. We must break away from and remain free of any distractions or hinderances that compete with our total focus and obedience to Christ.

Without distractions, we are able to nurture our relationship with the Lord, allow Him to prepare us for the wonders He will soon do (Joshua 3:5) and clearly hear Him speak.

Where faith & practice meet

Notate the old names you are leaving behind and the new names and identity through Christ Jesus you are coming into at the breaking of day.

For example: I am no longer termed depressed but Joyful.

3. WORSHIP

JOYFUL & EXPECTANT REST

If you don't carry out anything else from this prophetic strategy, please undertake this part: WORSHIP.

The prior points will be for nought if the proper heart position is lacking. We are not to execute these instructions only to acquire what's in God's hand but to genuinely seek His face and His heart. The tangible evidence of His Word is only the by-product of authentic intimacy.

Worship in this hour refers to the complete and total submergence in the presence of God.

It's more than lifting our hands and singing our favorite Maverick City tunes. Worship is a heart posture. The Lord is always after our heart.

Our heart posture of worship is to be of joyful and expectant rest.

Those of us who already enjoy a relationship with Christ may sense Him pulling us closer and deeper to Himself. He wants to lead us to an even more intimate understanding of who He is. He wants all of our heart not just the few pieces we've committed to him.

You may feel resistance every time you try to get in the presence of God but I encourage you to continue to press in. Incorporate persistence. He is a rewarder of those who diligently seek Him and the reward is Himself. Your diligent and persistent pressing into His presence will result in personal encounters with the God of the universe; and there you will find fullness of joy and pleasures forevermore.

I find it important to add that our worship is not contingent upon the blessing or its manifestation. We worship God because He is God and He is due our complete reverence of Him.

Where faith & practice meet

Find other Scriptures and curate prayer points that reflect worship to the Lord and your trust in His ability to protect and deliver you.

- Lord, I humbly ask You to plead my cause with them that strive with me. I ask that You fight against them that fight against me. Take hold of Your shield and buckler Almighty God and stand up for my help. Draw out also the spear and stop the way against them that persecute me. Continue to remind my soul that You are my salvation. - Psalm 35:1-3
- Father God, I thank You that my heartfelt worship unto You emits a sweet smelling fragrance of Christ unto Your nostrils. I pray that my worship will also be an offensive fatal odor unto any agents of darkness that have been assigned to work against me. I pray that my life of worship will overflow and be evident as a refreshing living scent to Your beloved sons and daughters I come in contact with - 2 Corinthians 2:14-16
